EDITOR'S LETTER

There's nothing like the frenzy of activity you get in the *Mayfair* offices when print date rolls around – people running this way and that to ensure we get everything done in time! Still, even in all the mêlée it's important to take a step back and remember what it's all about – and that, of course, is the lovely girls! Honour May, Kiki Daniels, Aemelia Fox, Holly Gibbons and Natalia Forerst, to name but some, really do make it all worthwhile! And besides, we've got a few weeks to recover now...

PATTI JAPES

Dear *Mayfair*,
Last year, my wife went back to working full time and, as such, neither of us had much in the way of spare time so doing the housework became a real pain. I never thought I'd be the sort of guy to get a housekeeper in, but when Sharleen suggested it, I was well up for the idea. Especially when I eventually clapped eyes on the woman we'd eventually end up hiring!

Sharleen put an advert on one of these local Facebook group things and, out of the numerous replies she got, ended up choosing Patti, who came in twice a week. Patti was in her mid-30s, slim, with small boobs and tied back mousey blonde, shoulder length hair. She never wore a bra, and on cold mornings you could see her nipples poking through her jumper. Not that I looked, of course!

Sharleen and I have a really honest and open relationship and she is very bisexual, so I wasn't hugely surprised when she told me that she fancied Patti. I admitted that I found her quite attractive, too, so we decided to see who could seduce Patti first!

I wasn't sure how I was going to come on to her, but when Sharleen mentioned that she had a bag of stuff to be taken down to the local charity shop a few days later, I had a 'lightbulb' moment. The next morning happened to be my day off – and one that Patti was in – so when I saw her I casually mentioned that Sharleen was giving away some clothes, and that she was welcome to have a look through them if she'd like.

> "SHE LIFTED THE DRESS OVER HER HEAD TO REVEAL A NEATLY TRIMMED BUSH..."

I showed her where the bag of clothes were in the bedroom, and expected her to have a rifle through, maybe hold some items up against herself so I could compliment and charm my way into her affections, but what I wasn't expecting was for Patti to admire a T-shirt, pull her own jumper off so she stood there bare-breasted, and try the garment on there and then! It takes a lot to shut me up, but I was pretty gobsmacked!

My throat went dry and I admit I lost my bottle when she took that top off, undid her jeans and pushed them down her thighs. I instinctively turned around and was slowly heading out of the room when I heard her say in a sultry voice, "Well, what do you think?"

I turned around to see her in a tight little dress that Sharleen had bought for a night out. Patti looked fucking hot in it! I grinned and said she looked amazing and that her boyfriend was a lucky guy, to which she giggled and lifted the dress up over her head to reveal a neatly trimmed bush and smooth pussy lips. I didn't wait for her to say anything else, I just moved in for the kill, kissing her hard on the lips. She kissed me back passionately, her hands already wandering.

"We've got to be careful," she whispered hoarsely when we broke apart for air, "If Sharleen finds out..." I laughed and told her that Sharleen and I had an open marriage and she would not care

GREAT MIDDLETON!

Dear *Mayfair*,
I know you had a winner on your hands when you first featured the delicious Mia Middleton last year, but the latest set of pictures of her (53.03) took things to a whole new level! Every shot is a corker, although I especially like the one on the bottom of page 48, where she seems almost as fascinated by her perfectly shaven pussy as I am! A gorgeous young blonde, reclining on a bed and playing with her smoo – it doesn't get much better than that! I'd love to come home to that sight after work each day, but it doesn't often happen! Still, at least I know all I've got to do is flick open my *Mayfair* and there she is, all ready for me!
Keep it up – you're certainly helping me keep mine up!
Ollie, Bedford.

BOOBY PRIZE!

Dear *Mayfair*,
I was delighted to see that Kerrie-Lee scooped the 2017 Newcomer of the Year Award. This is a well-merited accolade as far as I'm concerned. She looks absolutely terrific in *Mayfair* 53/01 and I hope that she will continue to delight your readers in future issues. I was also pleased to see Cara Brett take the *Mayfair* Girl of the Year Award – she has been consistently outstanding for a few years now and will, I am sure, pick up many more awards.

I voted for both these girls so it is good to see that there are many like-minded people among your readers!

Ian, via email.

Thanks Ian – well done you for picking those two winners – you've clearly got very good taste! No wonder you buy *Mayfair*... The Ed.

in the slightest. I felt Patti instantly relax, so I moved my hands up to lightly pinch her nipples. Her hand went straight down to my straining trousers and unzipped me, pulling my cock out and slowly dropping to her knees before me. Then, rubbing it up and down with her soft hand to ensure maximum hardness, she licked and sucked on my throbbing cockhead. Her tongue flicked back and forth as she rolled the rough surface of her tongue around the most sensitive parts of my prick, causing it to twitch involuntarily.

When she stopped sucking my dick to catch some air, I pulled away, quickly stripped off and we fell onto the bed, kissing passionately. Patti seemed to enjoy it when I kissed down her inner thighs and began lapping at her clit – the noises she was making made it sound like it was the most blissful thing she'd ever experienced! It did wonders for my self-esteem, I can tell you! She really couldn't get enough of it, so I spent ages licking her out and enjoyed watching her come over and over again. As I opened her up with my finger and thumb, her pink snatch glistened with her juices and I gently pushed two digits in and out of her. Her clit was swollen and engorged, and she was so turned on that I knew I would be able make her come by just running my fingers or tongue over it quickly.

After a while spent bringing her to the brink of orgasm this way, she panted that she needed to feel my dick inside her. I didn't waste any time and, placing her legs on my shoulders, I parted her soaking fanny lips and plunged my big, hard cock deep inside her. She was surprisingly tight and I furiously pumped in and out of her until I felt that we were both close to coming. I didn't want it to be over too quickly, so I pulled out and asked her how she wanted me to fuck her, and she gasped that she needed to feel me fuck her doggy-style. She turned over, sticking her bum in the air towards me, laying over the edge of the bed. I took a moment to admire the lovely tight arse in front of me as I parted her cheeks. Sharleen has a great figure, but Patti's round rump had me wanting to grab it and fuck it senseless!

Patti reached under herself and, running her fingers through her bush, opened up her slipery lips, allowing me to plunge inside again. I made each stroke count as I thrust deep and hard into her dripping clunge. Patti's pussy lips looked amazing clamped tightly around my shaft, the juices oozing from her as I fucked her. After just a few minutes I felt her muscles contract and spasm on my prick as she came, letting out a little moan. I held on just long enough to pull my cock out and spray my load all over her beautiful bumcheeks.

I couldn't wait to tell Sharleen about my conquest, but was completely taken by surprise when she listened to my news with a smug grin on her face – one that told me she'd beaten me to it! Sure enough, Sharleen had apparently seduced Patti a couple of days before but was waiting for me to play catch up! Talk about the cat that got the cream...

Olly, Helston.

NICE AND THREES-Y!

Dear *Mayfair*,
Emma, my girlfriend, had always had this fantasy about watching me fuck another woman. Not being particularly moral, I told her I'd be quite happy to do this and didn't really mind whether she watched or not, but being awkward, she said that even though she liked to fantasise about it, she never wanted it to actually happen.

Luckily for me, though all this changed last week. After going out for a few drinks, Emma let slip that she'd started to find herself attracted to a female colleague who'd just started work in her department. I tried not to sound shocked, but I must admit I was a bit. Emma had never shown any signs of lesbianism or bi-sexuality before, so to cover up my slight awkwardness, I said that if she decided to go ahead and try sex with a girl, that was fine by me – provided she let me watch!

HONOUR

Age: 22 **Vital Stats:** 34C-25-35 5'7"
Photographer: BBM

Well 2018's really getting into its stride now, so we reckon it's about time we hooked up again with the delicious Honour May, who made her debut at the end of last year. She hails from up north originally but now seems to spend most of her time whizzing around the globe...

"Well since I first tried my hand at modelling a year or so back I seem to have been in quite a bit of demand! It's been incredible, really, but I'm loving every minute of it! I've met some really interesting and lovely people – it's been great!"

Hmm, lots of interesting and lovely people... and us!

She was a bit tipsy, of course, and to be honest I didn't give it another thought, but imagine my surprise when I got home from work the following day to find her in bed with a naked girl sitting on her face! She was giving her a seriously enthusiastic tongue-lashing and Emma's face was absolutely drenched in pussy juice. Shock and disapproval rapidly turned into horn, and the girls had obviously got this one all worked out.

"Hello Dave, you're late," breathed the phenomenally attractive stranger whose minge was in my girlfriend's mouth. "I'm Jessica. Get your clothes off and come and fuck me. Emma wants to see everything..."

I was totally taken aback by all this, but by Christ I wanted to fuck Jessica. She looked about twenty-five years old, was tall with long blonde hair, and had massive tits. They didn't have to twist my arm!

My clothes were in a pile by the side of the bed in no time. Jessica extracted her snatch from Emma's ravenous mouth, and got an all fours, proffering me her open sex.

"Fuck her, Dave," said Emma. "Give her one from me."

Jessica's minge was sopping wet with spit and love juice, and I easily sank my cock right up her lovebox. I pressed a bit harder, my prick easing its way in a little deeper, and I felt the tip of my penis connect with her cervix.

> EMMA USED HER PUSSY MUSCLES TO MILK MY COCK, DRAWING THE SPUNK UP FROM MY COME-LADEN BALLS.

"Oh God!" Jessica gasped as her tight vagina accommodated my cock. "Oh yes, fuck me Dave, fuck me!"

I'd watched Emma masturbating many a time, but I'd never seen her so horny and turned on as she was then. I was determined to put on a good show for her.

I fucked Jessica very hard. I grabbed her hips and pummelled her, thrusting my cock right up inside of her, and Jessica used her pussy muscles to milk my cock, drawing the spunk up from my come-laden balls.

Emma arched her back as she masturbated to us, and screamed when she finally brought herself off. She massaged her tits and frigged away furiously at her clit as she came, the come literally squirting from her snizz with the force of her orgasm. She was turned on by watching me fuck another woman that was for sure, but I knew she'd soon want to join in.

I was next to come. The sight of Emma's darling little quim gushing cunny cream all over her thighs and down her bum was enough in itself, but with Jessica's snizz at work on my cock too it was more than I could bear.

I pulled out just as I felt the spunk start to stir in my bollocks. I whipped my twitching tool out of Jessica's quim, thrust it between her bum cheeks, and came, blasting her delicate little arsehole with jet after jet of my hot, sticky come.

"Oh God, Dave, oh fuck, yes!" Jessica screamed as she felt my jizz impacting her anus. Rivers of white wee ran down her sodden minge and matted her pubes, and I started to massage her bottom, working the come into her pussy and arsehole.

The effect was electric. Jessica's cunny began to gush, and I realised that she was about to orgasm. I slipped two fingers up her vagina, and then inserted my thumb into her anus, stimulating both her holes. Emma had manoeuvred herself in front of Jessica, thus Jessica had my girlfriend's pussy in her mouth yet again as she came all over my hand!

Emma was bucking her hips madly as her colleague ate her out. Thinking she too might like some cock, I made my way over to her and offered her my come-soaked meat to suck clean. She readily obliged, squeezing my balls to get the last drops of jizz out of me, sucking my sack dry. Jessica must have enjoyed having her bum poked, and she shared the experience with her friend, fucking her index finger in and out of Emma's dark and private arsehole.

Emma came again in no time, and her cunny spewed its shimmering fanny fluid all over Jessica's pretty little face; it wasn't hard to see why Emma had found her so attractive, and I was glad she'd so much enjoyed watching me fuck the arse off her!

So far that was a one-off, but I'm pretty sure it won't be too long before Jessica's over again for some more fun!

Dave, Southampton.

MIX'N'SNATCH!

Dear *Mayfair*,

May I be the latest to join in the debate about how strong the photosets are in the magazine? I love the fact that you regularly bring us new girls, and I understand that each girl might prefer to work to a particular strength, but for me the main thing is that a) they're attractive enough (they invariable are!) and b) the magazine includes a good selection of sets that are strong enough to balance out any of the softer ones. So in your latest issue we had Olivia, who's a very pretty girl but clearly isn't giving much away (at the moment, at least), but there was plenty of pussy on show from the other girls, with Cara, Roberta, Mia, Samantha Saint and co all giving us a good eyeful – and even newbie Annabelle being candid enough for all but the most hardened complainers! That's OK as far as I'm concerned, and having looked back over some of the *Mayfairs* I've got from years gone by, there have been plenty of other times when the strength of the sets has varied in a similar way, such as when Page 3 girls would often keep a fair bit back from the prying lens. Obviously we don't want the entire magazine turning into some sort of lads' mag strength, but it doesn't look to me like we're in any danger of that at the moment.

Rob, Newquay.

Kiki Daniels – does everyone called Kiki have to have 'D' as the first letter of their surname? Do you know of any Kikis with a surname that starts with another letter? I sure don't! In any event, this Kiki D has been turning heads on Babestation for a little while now, so we thought we'd like to have a proper look ourselves, and here she is!

"I'm so excited about this I can't tell you!" says the girl herself. "I was doing hair and make-up a year or so ago and then I suddenly got the urge to appear in front of the camera… and now look at me!"

That's exactly what we are doing, Kiki, don't you worry!

FOUR... WHAT IT'S WORTH!

Wondering whether BMW's 4 Series is getting better with age? Well D'uh - of course it is!

Endowed with an aesthetic appeal and dynamic flair all of its own, the BMW 4 Series has stood out with its supremely assured and stylish air ever since its launch. A total of nearly 400,000 sales worldwide is testimony to the tremendous allure of the BMW 4 Series, whose story began in 2013 with the arrival of the BMW 4 Series Coupe. The following year, it was joined by the BMW 4 Series Convertible and the BMW 4 Series Gran Coupe to create a complete model family. The new BMW 4 Series models write the next chapter in this success story.

All of the petrol engines and the four-cylinder diesel units fitted in the new BMW 4 Series range stem from the latest BMW EfficientDynamics family of engines and are equipped with BMW TwinPower Turbo technology. There are three petrol engines (BMW 420i, BMW 430i and BMW 440i) and three diesel options (BMW 420d, BMW 430d, BMW 435d xDrive) available for all of the new BMW 4 Series models.

The power output of the petrol-engined BMW 4 Series model variants ranges from 184bhp in the BMW 420i up to 326bhp in the BMW 440i. When it comes to the diesel line-up, meanwhile, the power spectrum extends from 190bhp in the BMW 420d up to the 313bhp of the BMW 435d xDrive. A total of twelve model variants are available with the option of BMW xDrive, while the BMW 435d xDrive comes with the intelligent all-wheel-drive system as standard – in Coupe, Convertible and Gran Coupe guise.

In addition the BMW 4 Series Coupe and BMW 4 Series Gran Coupe now come with a stiffer suspension set-up delivering even sportier handling without any loss of ride comfort. Both the lateral and longitudinal dynamics have been improved, regardless of the load on board. This applies not only to the standard suspension, but also to the M Sport suspension and the Adaptive suspension. All new BMW 4 Series models now boast even more assured straight-line stability and more communicative steering.

> THE NEW ELECTROPLATED DETAILING REINFORCES THE EXCLUSIVE, HIGH-QUALITY FEEL.

> AN ABUNDANCE OF EQUIPMENT OPTIONS OFFERS AMPLE SCOPE FOR TAILORING THE CAR TO INDIVIDUAL TASTES.

Restyled LED headlights take the place of the outgoing cars' xenon units. And all models in the range are equipped with LED front fog lamps as standard. The LED rear lights fitted on the BMW 4 Series for the first time give extra impact to the car's powerful looks. Modified air intakes, line-specific applications and the new rear apron add further striking touches.

The two new exterior paint finishes Snapper Rocks Blue and Sunset Orange are available exclusively for the new BMW 4 Series models, and there is also one new model-specific wheel design each for the Advantage, Sport Line, Luxury Line and M Sport equipment lines. An abundance of additional equipment options offers ample scope for tailoring the car to individual tastes.

Moving inside, the new electroplated detailing, chrome applications and centre console in high-gloss black reinforce the exclusive, high-quality feel. Another visual highlight is the double stitching on the instrument panel, while three new upholstery colours together with three new interior trim strips provide even greater choice when it comes to personalising the interior's design.

The optional Navigation System Professional for the new BMW 4 Series now features an interface with large tile-style control pads that is even easier to use. The control pads can be arranged as desired and display a constantly updated version of the linked menu content, making operation even more intuitive for users. The whole BMW 4 Series range can also be optionally fitted with the Multifunctional Instrument

"ALL NEW BMW 4 SERIES MODELS NOW BOAST EVEN MORE ASSURED STRAIGHT-LINE STABILITY AND MORE COMMUNICATIVE STEERING."

Display, giving the driver the choice of different visualisation options for all displays depending on the driving experience mode selected.

All sounds pretty good doesn't it? And we've not even mentioned the M4 model yet! We could tell you that its got a monster 3 litre twin-trubocharged engine that pumps out 425 horses, and that it accelerates from 0-62mph in just 4.1 seconds, taking a further 4.5 seconds more to exceed 100mph. Or we could just let you look at these lovely photos and you can make up your own mind!

Hey, it's another stunning 22-year-old, and Zoey here looks like she's in mighty fine shape, doesn't she? No doubt she'll put that down to all the horizontal exercise she likes to get...

"Well I do get plenty of exercise, yes – but the reason I'm in such good shape is purely thanks to the traditional variety! I just love going to the gym! I went for the first time about 3 years ago with a friend of mine to see if we could pick up any hot guys, but I quickly realised that the exercising itself was giving me a real buzz! Yes, there were plenty of muscular guys there as well, so that was good, but that's very much a secondary consideration for me these days!"

Well, if you ever fancy a change from all those muscular guys, you know where to find me!

Hello - what's this? Another Babestation beauty beating a path to our door? Well we don't mind if we do, in that case! Aemelia Fox's first name might present a bit of a problem for any dyslexics out there, but there's no denying the fact that her surname hits the nail squarely on the head! While the London-based hottie's been wowing fans on the telly for a while now, she's new to this magazine lark, so we hope you'll make her feel at home and, who knows, maybe she'll get a little bit more candid with us next time round...

A man was standing next in line at a checkout, when the attractive blonde woman in front of him turned around and gave him a big smile.

"Hello," she said, as she waited for her change.

"Er, I'm sorry. Do I know you?" The man said in some confusion.

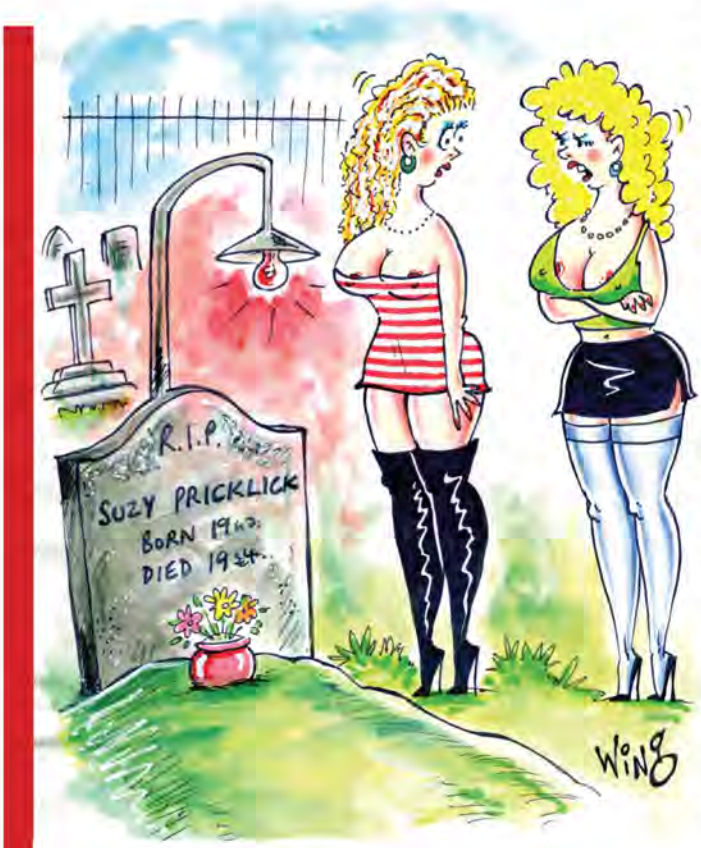
"Oh, my mistake. I thought you were the father of one of my children," she said apologetically, and picking up her shopping, she left the shop.

The man was astonished. He thought, "How amazing that a good looking woman like that should have forgotten who fathered her child!"

Then he began to worry. He had had an encounter in his youth that could have resulted in a child he didn't know about. She had been blonde, pretty, and about the same height.

On leaving the shop, he saw the pretty woman getting into her car. He ran over to her and said, "Look, you couldn't have been the girl I met that night at a party in Hampstead in 2003, could you? We had sex on the billiards table in front of everyone, things got really wild and I got so drunk that I didn't get your number."

The woman looked utterly outraged and said, "Certainly not! I'm your son's English teacher."



"Mum always believed in life after death!"

Upon hearing that her grandfather had just passed away, Katy went straight to her grandparent's house to visit her 95-year-old grandmother and comfort her. When she asked how her grandfather had died, her grandmother replied, "He had a heart attack while we were making love on Sunday morning."

Horrified, Katy told her grandmother that two people nearly 100-years-old having sex would surely be asking for trouble.

"Oh no, my dear," replied granny. "Many years ago, realizing our advanced age, we figured out the best time to do it was when the church bells would start to ring. It was just the right rhythm. Nice and slow and even. Nothing too strenuous, simply in on the ding and out on the dong."

She paused to wipe away a tear, and continued, "He'd still be alive if it hadn't been for that damn ice cream van."

A guy goes to his doctor and says, "Doc, I have a problem. My girlfriend is sleeping over this Friday, my ex-wife is sleeping over this Saturday and my wife is coming home Sunday. I need three Viagra pills to satisfy them all."

The doctor says, "You know three Viagra pills three nights in a row is pretty dangerous for any man. I will give them to you on the condition that you return to my office on Monday so that I can give you a full check-up."

The man agrees.

Monday morning arrives and the man returns with his arm in a sling. The doctor asks, "What happened?"

The man replied, "Nobody bloody well showed up!"

A chap takes his wife to Blackpool for their wedding anniversary. When they arrive at the hotel he gives her an anniversary gift, a fur coat made of real hamster fur. Later that night, while he has a soak in the tub, she wears the coat to go out for a stroll, but never returns to the hotel. Eventually, panic-stricken with worry, the man calls the police and reports her missing.

The next day an officer calls to tell him they found her within minutes of reporting her missing, at the funfair.

"So why haven't you brought her back to me yet?" asks the husband.

The copper replies, We still can't get her off the big wheel!"

A blonde driving alone in her sports car gets flashed over by a policewoman, who is also a blonde.

"May I see your licence?" The policewoman asks.

"What does it look like?" The driver replies.

"It's a rectangular thing with a picture of you on it."

The blonde driver rummages through her bag and finally pulls out her compact mirror and hands it to the policewoman.

She takes one look at it and says, "Why the hell didn't you tell me you were a copper as well? I wouldn't have pulled you over!"

Q: How you seduce an oversized woman?
A: Piece of cake!

A man and woman had been married for 30 years, and in those 30 years, they always left the lights off when having sex. Because of a tiny penis he was embarrassed and scared that he wouldn't be able to satisfy her, so he'd always worn a strap-on whenever they made love. For all those long years she didn't have a clue.

One night when they were *in flagrante* she decided to reach over and flip the light switch on so she could finally see her husband's wonderful cock, which had given her such pleasure over the years. Needless to say, she was completely taken aback.

"What's the hell…!" she exclaimed. "You mean you've been fucking me with a strap-on all these years?"

"I can explain," he said, "but first, I'd like you to explain the kids!"

You don't need us to tell you just how striking Holly Gibbons is, but what you might not realise is that in addition to being extremely well-formed she's also extremely well-spoken...

"Ha, yes, well I went to a rather posh private school for girls, so I guess that probably rubbed off on me a bit!"

Fair enough And did any of the other girls there rub off on you a bit?

"There might have been a bit of that – I couldn't possibly comment!"

Scene from MAYFAIR

We're out and about this month, with many hours spent in rural Germany, then a trip to Istanbul (and part way back) before a bloody denouement in 1950s Vietnam.

HEIMAT

It's not very often that a real game-changer of a TV series comes along – *The Sopranos*, surely, and maybe *Game of Thrones*, but possibly the granddaddy of them all was *Heimat*, which first saw the light of day back in 1984, and is nothing if not ambition in its scale, even if its scope – focussed tightly on life in a small town German region – is very precise. Let's face it, in many way the history of Europe in the 20th Century was driven by forces that emanated from within Germany, and writer/director Edgar Reitz seized the nettle with this mammoth series of films, which span the story of the area from 1919 to 1982 (further *Heimat* releases took the story both further back and forward) and concentrates on the life of Maria Simon (Marita Breuer) as she's buffeted by the winds of fortune.There's a lot of story to tell there, and the series clocks in at a whopping 889 minutes – all remastered and with tons of bonus material. I hope you've got a nice comfy sofa!

MURDER ON THE ORIENT EXPRESS

You might think Agatha Christie was a bit old hat these days, but there's clearly still a massive allure for her more iconic books, and this star-studded flick directed by and starring Kenneth Branagh as Zebedee (see left) proves all too clearly. We all grew up with the Albert Finney version from 1974 – another all-star cast affair boasting many of the biggest names in Hollywood history – and of course David Suchet had a crack during his *Poirot* years, but still the appetite for a new version was there. The plot's familiar enough – loads of people on the luxury train who all bear businessman Edward Ratchett (Johnny Depp, this time!) some malice and sure enough, he's murdered! But was it Judy Dench, Derek Jacobi, Michele Pfeiffer, Olivia Colman, Penelope Cruz... etc? We all know the answer, but it's still a jolly enough slice of old-fashioned fun for all the family.

THE HOUSEMAID

It's high time we featured a Vietnamese film in Scene, don't you think…? We're all for a nice gothic horror story, and this one ticks plenty of the right boxes, with some wonderful cinematography that captures the lushness (but also, of course, the creepiness) of the Vietnamese countryside in a tale that sees bedraggled, penniless country girl Lihn (Nhung Kate) rock up at a run down rubber plantation looking for work. She bags a job – largely on account of nobody else wanting it because the estate is said to be haunted by the souls of all the ill-used plantation workers who were killed there – and quickly forges a bond with the plantation manager (Jean-Michel Richaud). But a fury is about to be unleashed that cannot be assuaged without blood! Chilling and eye-pleasing in equal measure, this is the best Vietnamese film I've seen in ages!

MAYFAIR '61

That's quite enough of 2018 without hooking up with the ever glorious Natalia Forrest, don't you think? Quite, and from the look of those super-perky nips, Natalia herself looks quite thrilled to be back with us...

"Ah, yes – they do rather give the game away, don't they? Being in a shoot always gets me feeling nice and horny, and sometimes it becomes a bit obvious! I actually think they've become more responsive over time – God knows what they'll be like in another five years or so!"

Well we look forward to finding out!

MAYFAIR Movies

Lots of filthy fun this month, as well as a rather touching tale of lost love and passion from The Donald's (alleged!) former squeeze Stormy Daniels!

Harmony

TINA SEX ADDICT

★★★★☆

Editor's PICK

CAST: Tina Kay, Ella Hughes, Emylia Argan, Victoria Pure, Tera Link.

UK-based harlot Tina Kay's really started making her mark on the scruff industry in the last few months, and so it seems only right that she should get a Harmony title dedicated to her and a cock-(and pussy-) mad ways! Having already seen her in action in a few films, I didn't need to hear her admitting that the loves the feel of a hard throbbing cock in her mouth, pussy or arse, but I'm not going to quibble at an intro voiceover, because I've got a pretty good idea about what's coming next. Sure enough, she soon hooks up with a fuck-buddy for some filthy sex, starting with a slobbery snog on the stairs before they head to the sofa, first for a spot of oral fun before things quickly turn bumly. She gets a real work-out and genuinely can't seem to get enough of it before an internal pop leaves her quivering with satisfaction. Yowser. Tina shares a cock with Tera Link (isn't that a cable for computers?) next, finally wanking it off over her chum's face, and another crackling b/g/g with blonde Victoria Pure keeps things moving along nicely. A lesbo threesome with Ella and Emylia keep Tina busy until she finally gets two cocks all to herself in the closer – and she doesn't waste an inch them!

Wicked Pictures

NEVER FORGOTTEN

CAST: Maddy O'Reilly, Casey Calvert, Katana, Ella Nova.

Well, I've seen more than my share of bongo over the years, but this one's very clearly something a bit out of the ordinary right from the off, as the first few minutes are devoted to an old boy getting up, putting on his slippers and shuffling into the kitchen for a bit of tea and toast. It's his birthday, but his niece has forgotten – she'd rather shag her bloke than go and visit her Uncle! Still, Maddy's bunk-up means there's scope for more shuffling that the walking-stick aided variety! Then… whoa, it's a big flashback as the old boy remembers his younger years, back in the 1940s! Cue lots of old-fashioned clothes and hairdos (although his younger self sports a little ponytail. WFT?) and we get some wartime jiggery-pokery, firstly with Casey Calvert in a picnic blanket and then between a navy buddy and a Japanese hook-up (Katana). And when he gets home from the war, his bride-to-be Ella has only gone and married someone else! A sort of happy ending crowns off a genuinely original offering from writer/director Stormy Daniels.

Private

SENSUAL MAIDS

CAST: Taylor Sands, Ani Blackfox, Anya Krey, Aruna Aghora, Kandy Kors.

Those maids, eh? When they're not making your bed or tidying away your towels, there's nothing they love more than cramming as much cock into their various openings as possible! Well OK, they're not all actually like that, but the ones that seem to crop up in Private flicks are without fail all mad for a length or two, and this offering is no exception. Taylor Sands is on the crest of a porno wave just at the minute, so it's no surprise she's not satisfied with peeling bananas and dusting while a couple of fellas sit about looking at their laptop. Oh, the lads compare mobile footage and it turns out they've both shagged her, so where better to go than a threesome? She seems more than happy with that arrangement, and is soon noshing them both off, her boobs just starting to spill out of her uniform, before a spitroasting and finally a DP leave her slathered in a lot more than Mr Sheen. And the remaining filthy maids on show all more or less behave in the same wanton way. Ani and Anya are probably my faves, but there's no slacking from any of them, to be honest, and newcummer Kandy looks like she's got a bright future ahead of her.

ANGELA

Age: 34 **Vital Stats:** 36D-26-36 5'7"
Photographer: Tammy Sands

Alright, we'll admit it – we thought it's be good to feature the divine Angela Sommers so we could feature some sort of 'Sommers Coming' pun, but as I write all the reports are that we're due another bloody cold-snap over the next few days! Man, it feels like we've had more cold snaps than an Eskimo porn shoot, but at least the sight of Angela here should help keep everyone's spirits up until this bloody winter finally decides to clear off! She's even wearing flowers on her shoes to try and hurry the seasons along, bless her...

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I've always been proud of my long hair and with good reason – I constantly have people complimenting it and men seem to really go for my beautiful flowing tresses. Take my previous two boyfriends for example: both way out of my league, but attracted to me because of my hair. One of whom, Marc, had a real thing for pulling and stroking my hair throughout sex – not to mention wrapping it around his bell-end when I gave him a blowie. He said he loved the contrast between the deep colour of my hair and the white of his cock, and I had to agree with him!

The first time he let on about his penchant for my locks, we had been on a night out – meal and a movie, then back to mine for drinks. We were on the sofa, snogging, getting more and more turned on, when I made my move. I pulled away from him momentarily to apply some strawberry-flavoured lipgloss, before I started kissing my way down his chest sensually, undoing his shirt buttons as I went. And I didn't stop when I reached his flies, popping them open then freeing his hard cock from his pants. At first I just wanked his shaft, slow and easy, making sure he was good and hard before I started licking at his helmet, parting my lips wide to make sure they didn't brush it yet. Then, without giving him any warning, I took his entire length into my mouth. My lips skimmed down his shaft, streaking it with sticky, shiny lipgloss. I teased him as I licked off every little smear of the stuff, then I rubbed his tip all over my mouth, like I was putting on lipstick, so I could enjoy the fruity flavour as I sucked on his helmet.

"Fuck..." he grimaced, shifting in his seat and a sexy shiver went through my body as he grabbed strands of my hair, stroking and combing it through with his fingers. He was obviously getting more and more turned on as he played with it, so I instinctively grabbed a strand of my hair, wrapping it round his shaft, leaving just his helmet bare. As I lapped at his cock-eye, then tongued his entire head, I started wanking him, rubbing him through a handful of my own silky locks. He was moaning and clenching his arse, trying to string out the bliss. It wasn't long, however, before the pleasure got too much for him and he came, spraying his load into my waiting, open mouth. He jizzed so hard it actually hit the back of my throat, then he emptied his balls in creamy waves – half of it missing my mouth and hitting me in the face. The hair wound round his prick ended up as one big, sticky mess and he reached for it, using it to mop up the spunky dribbles around my chin. It was the horniest thing I'd ever seen!

Name: MAGGIE
Age: 27
From: HARLOW

Then there was Michael, who actually pulled me by complimenting my hair... Although it helped that he was gorgeous! I met him at a club one night, when I'd lost the group of mates I was with and ended up dancing on my own. I was in my own, slightly merry world when I felt a pair of hands on my hips and heard a voice in my ear say, "That hair would look amazing on my pillow."

> MY LIPS SKIMMED DOWN HIS SHAFT, STREAKING IT WITH A STICKY, SHINY LIPGLOSS.

I spun around – normally it would've been to tell the owner of the voice and hands to clear off, but I was faced with a particularly cute specimen of man, so my attitude changed somewhat! I grinned and flicked my hair over my shoulder in an exaggerated way, fluttering my eyelashes at him. Laughing – and taking my reaction as a come-on – he grabbed me by the waist and pulled me towards him, his hands wandering down to grope my bumcheeks. We spent the rest of the night dancing together, becoming more tactile and seductive until, eventually, he asked me if I wanted to get out of there and go back to my place. I obviously readily agreed, eager to feel him inside me.

Back at my place, we had barely walked through the front door before he grabbed me and started snogging my face off. He ran his hands through my hair constantly, grabbing it in his fists and tugging it gently. This turned me on enormously and I was soon panting and begging him for his cock.

He was teasing me so I took matters into my own hands and ran upstairs to the bedroom – if he wanted to play games, so could I! I quickly stripped down to my underwear and high-heeled ankle boots. Then I got on the bed, square on all fours,

with my arse thrust up and back, towards the door. He actually gasped when he appeared in the doorway and saw me waiting for him and he crossed the room and was naked in record time!

> I GASPED AS HE ATE ME OUT, TINGLING ALL OVER MY BODY AS HE PUSHED ONE FINGER, THEN ANOTHER INSIDE MY TIGHT ARSEHOLE.

He got straight in behind me, yanking down my thong and burying his face in my slit. I gasped as he ate me out, tingling all over my body as he wet his fingers in his mouth and my pussy and pushed first one, then another digit inside my tight arsehole. He pulled his face away and fingered my bum, pushing his fingers down to the knuckle, making me groan. I reached over and grabbed the lube I keep in my bedside drawer – he got the message and slathered it on his dick. I played with my clit, getting myself even more turned-on, readying myself for him, when I felt him press the lubed-up head of his prick against my bumhole. He eased in slowly and gently as I clenched my muscles, pushing back against him. Suddenly I relaxed them, virtually sucking him into my butt. "Fuck…" he groaned, as he felt himself slide in so his balls were resting up against my pussy lips. He grabbed a handful of my hair and pulled, so my head tugged backwards and he whispered in my ear, "Dirty bitch!"

He screwed me slow and steady at first, his hand still wrapped in my hair, but as I writhed my arse against him he sped up, giving it to me hard and fast as he pulled on my tresses. I moaned and groaned as he pummeled into me, loving every moment as I felt an intense orgasm build up in me and I came, screaming the place down as my body trembled with pleasure. Then, I felt Michael's balls bunch right up against my labia, then he emptied them deep in my bum. He came so hard I felt the actual spurts and his cock twitching and jerking around inside my arse.

I may not have had long-term relationships with any of the guys I've pulled, but I have no intention of ever getting my hair cut – it's like a dick magnet and I absolutely love it!

> "I PLAYED WITH MY CLIT, GETTING MYSELF EVEN MORE TURNED-ON."

Kelly and I had been best mates for as long as I can remember but I always thought there was something more to our bond. I'd never acted on it because I was scared of losing such a great friend but eventually my desires for her got the better of me.

She had been seeing some guy for a while and she would constantly update me on their sexual activity. Although I was quite excited when she told me how she had given him a blow-job or how he had tried to do her up the bum, I always felt a pang of jealousy deep down inside me. I didn't have any problems attracting the opposite sex, my problem was that I just didn't seem too interested in guys. Especially when I was developing deep feelings for Kelly.

One evening she phoned me all upset, telling me that she had been dumped. She sounded devastated so I told her to come round to my place straightaway. When she arrived I opened my arms to her and pulled her close.

"Don't worry, babe," I told her. "You've still got me. Who needs

men anyway?"

My words didn't exactly have the desired effect as she started crying again, but after half an hour of trying to cheer her up, I eventually managed to raise a smile on Kelly's face, and then things got better.

"What am I getting in such a tizzy about?" Kelly said. "The sex wasn't brilliant, I didn't really enjoy it."

"I know what you mean, I don't think I'm into guys, I reckon I might be a, erm… lesbian."

Kelly had a great look of astonishment on her face. I went bright red and couldn't believe what I had just admitted to, but then it didn't matter. She leaned forward, and mouthed, "me too". Then she placed her lips on my lips and that was it, we started kissing.

Fireworks were going off in my head as our tongues probed each other's mouth. We pulled ourselves as close as we could get as our hands began to roam. I ran mine through Kelly's hair first, then over her shoulders, round and back and down across her bum. She was more daring with her hands, squeezing at my breasts and tweaking my nipples through the material of my vest top.

I followed her lead and began to caress her squishy mounds. I ran my thumbs over her erect nipples while moving my head down to smother her neck and shoulders with kisses. Kelly's hand moved down and slipped below the waistband of my shorts. As it went further it pushed under my knickers. I shivered as she ran it over my neatly trimmed mound. We were staring into each other's eyes with great anticipation as Kelly's first finger slipped between my pussy flaps. I shuddered. Then another finger slipped in. I shuddered again. I bit my bottom lip as she started to push her two fingers deeper into my hole. She seemed to know what she was doing, which was a good thing because I didn't!

"Mmm, that's nice," I whispered slowly into Kelly's ear as my sensitive bud began to tingle.

"You'll like this then," was her reply as she pulled my shorts and knickers down to around my ankles and then lowered her head between my legs to taste my quim. A strange shiver ran down my spine has her tongue made contact with my slit. I'd never been licked out before so the sensation was a revelation in itself. Kelly was gentle with me though and went at a steady pace so that I could get used to the feeling. It was certainly a nice feeling!

"I FOLLOWED HER LEAD AND BEGAN TO CARESS HER MOUNDS. I RAN MY THUMBS OVER HER ERECT NIPPLES..."

> A STRANGE SHIVER RAN DOWN MY SPINE AS HER TONGUE MADE CONTACT WITH MY SLIT. I'D NEVER BEEN LICKED OUT BEFORE…

As I lay back with her feasting between my legs I awkwardly clawed at her clothing, trying to peel it off without breaking the attention she was paying to my clit. After fumbling for some time she broke away, undressed herself until she was completely naked and then straddled over my face before resuming on eating me out.

Faced with Kelly's fresh pussy just inches from my face I took the initiative, moved my head forward and tucked in. It tasted divine. There was a subtle aroma of her pussy juice and I could sense it on my

tongue but it helped me guide my way round her succulent snatch.

From there on we were cocooned in our pussyfest with the only sounds being loud slurps and the occasional moans of pleasure. Then my groans became more frequent as Kelly's tongue strokes became faster and wilder, subsequently sending me to a higher state of titillation.

Suddenly I was engulfed by the feeling, I wanted to pull away but I wanted Kelly to lick me more. My mind was racing and my body started to jerk wildly as the climactic wave swept through me. I had to pull my mouth away from Kelly's snatch so that I could let out a great sigh of satisfaction.

When my whimpers subsided I could feel Kelly was still fervently licking away at me and she seemed intent on pleasuring me even more. I was slightly thrown by the experience but soon regained my composure so that I could continue to pleasure her pussy. I don't know if it was my novice tongue play but it took me ages to bring my best friend to orgasm. But when she did come, I certainly knew all about it.

"Oooooohhhh! That feels sooo great," Kelly

> WE WERE COCOONED IN OUR PUSSYFEST, WITH THE ONLY SOUNDS BEING LOUD SLURPS…

half-groaned half-screamed as she ground her pussy hard against my face. My tongue was then treated to a flow of warm juices, which I lapped up with great excitement. I saw it as some sort of reward for my efforts. When Kelly's body had stopped bucking she pulled away and turned round to face me. "Wow! You were amazing. Are you sure you haven't done that before?"

"No," I replied, "but I'd like to try it again if that's alright with you?". The huge smile on Kelly's face said it all.

"MY BODY STARTED TO JERK WILDLY AS THE CLIMACTIC WAVE SWEPT THROUGH ME."

MAYFAIR

Classic

Rather like Adolf, Judas and, er, Caligula, Edwina's one of those names that's gone a bit out of fashion these days, isn't it? Why do you suppose that is? Despite her famous egg gaffe Edwina Curry wasn't that bad, was she? Maybe it was never really in fashion in the first place, and the ex-Tory minister and this fantastically boobed model were the only two people to be given the name! To be honest, though, we can't help thinking John Major picked the wrong one to have a fling with!

can be certain they won't swing too far to the left or right on the bends,' she jokes. Surely this must be the end of the political influences on Edwina's life? Not quite. During the salmonella saga last year, Edwina got so fed-up with the jokes she decided to play along, and now she collects egg cups. 'My mum kept the Noddy one I had when I was a little girl, and I carried on from there.' She now has 50 in a case labelled 'Egg-wina's Cup Collection'.

When she's out of the house, Edwina is none too careful about her diet. She loves meals out, including fish and chips, and admits to a fondness for pints of strong lager. 'Liverpool is great for small unpretentious pubs with loads of character. You meet some incredible people in them. It' true what they say about everyone here being a natural comedian,' she says. 'I could never go out with a guy from anywhere else!' Edwina is a bit of a joker herself. 'I love dry put-downs,' she claims, 'especially

if a man is getting over-amorous or reckons he's dead sexy. Only the other day some wally in one of those paisley shirts tried it on with me. I said "Is that shirt real silk? I thought so, it's still got a worm in it." He went purple!' Some men do succeed, especially if they offer her a meal out in an expensive restaurant. 'Oh, that's definitely the way to my heart,' she says, and what's her favourite food for a meal out? Edwina grinned. 'Curry, of course'.

MAYFAIR

Vol.53 No.5

On Sale May 2nd

There's a sombre mood in the office today as we absorb the news of the sad passing of two of the giants of British intellectual life – Professor Stephen Hawking and, of course, Jim Bowen. One of them did more than anyone else to unearth the truth about black holes, and never stopped probing the nature of the universe, while the other gave away crap prizes to contestants who were variably capable of throwing darts and answering questions. 'Remember to look up at the stars' said the former, and we will – assuming he meant top shelf stars like Emma and Adele!
